Technical Specification Sheet

Multi-Family House 7002 — Steel Frame House

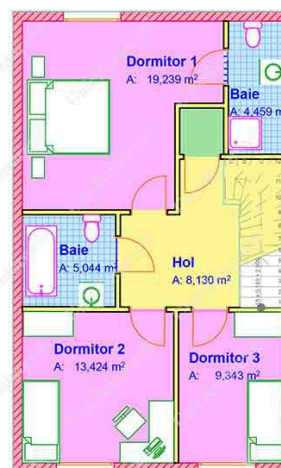

Pyramid Business Express Ltd — Official Distributor for Ireland of Unic Rotarex® Steel Houses

Ground Floor

First Floor

Total floor area	162.42 m²
Width	7.26 m
Length	11.28 m
Bedrooms	4
Bathrooms	2

Steel structure price (ex. VAT, manufacturer)	€18,678
Ireland guide price (ex. VAT, structure only)	€33,620

This specification covers the dimensioned, pre-cut galvanised steel frame kit for the load-bearing structure, complete with assembly fittings and technical project documentation, collected at the Unic Rotarex® factory gate in Romania. Additional construction works (foundations, finishes, utilities, roofing, insulation) can be arranged locally in Ireland through Pyramid Business Express Ltd or your own contractors — these are standard building works that any competent team can carry out.

Prices shown are excluding VAT. Standard terms: 50% deposit, 50% on delivery. Delivery condition: FCA (Free Carrier), per INCOTERMS.

Structure fabrication time: approx. 11 working days.

Pyramid Business Express Ltd — Official Unic Rotarex® Distributor for Ireland
